MEMORANDUM FOR: Director of Training

SUBJECT: Introduction to Intelligence Course

1. I have read with great interest the revised outline for your Introduction to Intelligence Course and I believe it represents an excellent advance in basic intelligence training.

2. I could not help but wonder if the absence of any visible treatment of photographic reconnaissance in your Technical Collection bloc has been due to any omissions on our part.

3. If there is anything that we have left undone, please be assured that we are prepared to assist this program as much as we are able and our contributions will be in the context of your expressed desire to stress functions rather than organization.
